

- When you pass off other people's words / work as your own
- May be unintentional!
- Copying and pasting, **with** or without changing some words, **with** or without citing

Plagiarism

- Use multiple sources
- Develop your own understanding of the material
- Use your own words

To avoid plagiarism:

- To directly quote somebody's words, use "quotation marks" (and a page number).

Burt (1943) defined an animal's home range as "that area traversed by the individual in its normal activities of food gathering, mating, and caring for young" (p. 351).

Aison M. Ashbury, 2022-05-30
